Under the instructions received with S.N.3 of R.Dis.610/38 local officers in India have to report to Home authorities telegraphically any modifications in the original forecast in November.

If changes are necessary in the leave salary provided for the officers mentioned above on account of war it is probable that the High Commissioner will himself make them in framing his estimates. We need not therefore send any report.

The total provision under "A.Non-Judicial" in the Revised Estimate for 1939-40 is Rs.71,700/-. After the modifications suggested by the A.G. and the Treasury Officer the total will be Rs.72,000/- and not Rs.71,800/-

S.N.24

Para 2. ~~of Inspector's letter is not correct.~~ The provision of Rs.5,800/- referred to ~~by him~~ included a sum of Rs.400/- for "recoveries of overpayments" which we raised to 2,400/-. Sir,

I am directed to invite your attention to Political Department letter No.D.1679-A/38, dated the 15th August 1938 on the above subject and to request that proposals, if any, involving new expenditure other than on major works, in connection with the budget for 1940-41, may kindly be submitted to the Political Department as early as possible and in any case not later than the

15th September 1939. These proposals should be excluded from the budget for standing charges and shown separately in Part II of the budget estimates.

2. Proposals relating to new major works should reach the Political Department before the 15th October 1939. In addition to full justification for each item of new major work and its total estimated cost, information should be furnished in each case regarding the amount which can be spent during 1940-41 with due regard to the time necessary for the preparation of detailed estimates and for technical sanction, and to other factors such as working season etc., likely to affect the date of commencement of the work.

3. Proposals which, though desirable, are not really urgent or unavoidable should not be put forward.

4. I am to request that the dates prescribed above should be strictly adhered to, as delay in the receipt of proposals will seriously affect the programme of budget work in the Political Department.

I have the honour to be,

Sir,

Your most obedient servant,

for Secretary to His Excellency the Crown Representative.

2. Lieutenant Colonel J. B. Hance, O.B.E., I.M.S., however, is serving as the Residency Surgeon in Mysore and his pay is, in the first instance, charged to that Residency - the rupee pay under Section IX-Political Agencies and Sterling Overseas Pay under Section XII. Charges in England. The adjustment in Indian accounts of three-fourths of the charges on account of the Residency Surgeon and his establishment to the Bangalore Assigned Tract under Account IV-Other Expenditure Heads -H. Political - Establishment and other charges payable to other Governments etc. is made annually and takes into account in full his Sterling Overseas Pay. Therefore, a monthly allocation of a corresponding proportion of his Sterling Overseas Pay to Bangalore is not necessary. As regards his leave salary, contributions for leave besides pension are adjusted annually in the Bangalore pro forma account in respect of his duty pay. His leave salary, therefore, should be charged in full to Section XII charges in England (Mysore Residency) and no portion of it should be allocated to Bangalore.
